Drug, Vitamin and Food Interactions

Did you know that certain medications can react with foods and vitamins and cause very serious reactions?

Dr. Daniel has a new service available. Ask him about any drug, vitamin, herb, or homeopathic remedy, that you, a family member or a friend are taking, and he will compile a list of reactions you need to be aware of.

This no cost service is another way to make sure you have all the tools necessary to be the healthiest you!

Call Dr. Daniel and make sure you have nothing to worry about!
